### Agnes S Jacket A Psychologist

In a Victorian-era German asylum, seamstress Agnes Richter painstakingly stitched a mysterious autobiographical text into every inch of the jacket she created from her institutional uniform. Despite every attempt to silence them, hundreds of other psychiatric patients have managed to get their stories out, or to publish them on their own.

Agnes's Jacket is a perceptively nuanced balance between thorough research, sensitive probing & sharing and generous questioning and guidance. Gail Hornstein credits many for the insights they provided but her latent (seemingly one of her favourite words) ability to inquisitively listen has been given wings by fellow travellers who mutually inspire exact expression and further discovery.
