If someone you live with has COVID-19 symptoms but isn't sick enough to need a hospital, now it's your turn to provide "supportive care" while protecting your health. Here are 14 ways how: 1. Pick a 'sick room': The sick person should stay in a bedroom with a door if at all possible, and not come out except to go to the bathroom.

14 Things to Do If Someone You Live With Has COVID-19

You can also use our visualization tool to help understand the impact of a disaster. The Pakistan Flood and BP Oil Spill are currently featured. Check out the individual pages to gain some perspective on these awful tragedies. If you're not sure where to begin, try this week's featured country, Nigeria

If It Were My Home

None of them contains live viruses so they cannot give you flu. If you're eligible for the flu vaccine on the NHS, you'll be offered one that's most effective for you, depending on your age: adults aged 18 to 64 - there are different types, including low-egg and egg-free ones;

Flu vaccine - NHS

When asked "How would you have lived your life differently if you had a chance?" Nadine Stair, an 85-year-old woman, from Louisville, Kentucky, provided these poetic words as her response... If I had my life to live over again, I'd dare to make more mistakes next time. I'd relax. I'd limber up. I'd be sillier than I've been this trip.

If I Had My Life to Live over Again - Melli O'Brien

Lifeline Chat is a service of the National Suicide Prevention Lifeline, connecting individuals with counselors for emotional support and other services via web chat. All chat centers in the Lifeline network are accredited by CONTACT USA. Lifeline Chat is available 24/7 across the U.S.

9. You Have a Great Affinity for Certain Cultures/Time Periods/Environments. It is said that having a great, unexplainable attraction for certain cultures or time periods is a kind of past life “residue” reminiscent of a certain place, culture or environment that your soul may have experienced in past lives.

Past Lives: 11 Signs Your Soul Has Reincarnated Many Times

If you live with others, all other household members who remain well must stay at home and not leave the house for 14 days. See the stay at home guidance for further information.

What you need to know. People age 2 and older should wear masks in public settings and when around people who don't live in their household. Masks offer some protection to you and are also meant to protect those around you, in case you are unknowingly infected with the virus that causes COVID-19. A mask is NOT a substitute for social distancing.
