McGill Exam Deferral Engineering

Defer a Final Examination. Students in the Faculty of Engineering who were unable to write one or more final examinations due to circumstances beyond their control (such as serious illness, family affliction, fire, or severe emotional stress) may receive permission to defer their final exam. Students who are ill prior to an examination should make arrangements to see an advisor in the McGill Engineering Student Centre (FDA 22) for proper evaluation of the situation to avoid a final grade ...

Exam Deferral Questions, Answers, and Advice : mcgill

It also seems that the deadline to apply for a deferral is January 15 (<http://www.mcgill.ca/students/exams/dates> under "Deferred exam periods and application dates"), so I think you could still provide documentation if they don't accept your request without it, though I don't see why they wouldn't. level 2

Did anyone have success with the First Time Deferred Exam ...

While it's supposed to be of the same difficulty and style in theory, people usually do worse on the deferred exam than they would have done during exam season. I don't know whether the actual exams are harder or whether it's just really difficult to keep up with 7 courses until you write your deferred exam, but usually they're lower.
