Sculpting tackles the things that

Get Free Modelling And Sculpting The Human Figure

Dover Art Instruction

modeling doesn't. It is ideally suited to creating organic shapes - characters, monsters, clothing, these sorts of things are best created with sculpting tools. Sculpting can also create fantastically detailed objects easily - a little too easily, if your computer isn't up to handling such complicated meshes!

MODELING (tutorial) - YouTube

Well done presentation of the modeling of the human figure in relief and in the round, covering clay casting, human anatomy, measurement and proportion, composition, and lots of good advice. I liked it well enough for a 110 year old book -- and I appreciate Dover's practice of reissuing such books -- but now I feel I
