Paul Klee (1879-1940) was a Swiss-born artist. Involved with and influenced by several different movements—including Expressionism, Cubism, and Surrealism—Klee excelled in a range of genres, including drawing, printmaking, and, most famously, painting. Similarly, he inventively employed unexpected materials to produce mixed-media works, from canvas and cardboard to foil and fabric.

Paul Klee, a Music-Inspired Artist Who Redefined Color Theory

"Highways and Byways", another classic painting by Paul Klee involves geometric rectangles with textures and colors that go together harmoniously. Once again, there's a bold feel to the piece and an unorganized structure that seems to be played about within a naïve approach.

Paul Klee: The Expressionist | 21st Century Chanel.

Paul Klee was a force to be reckoned with in modern art. Noted for its highly unique, personal style, his work combines elements of expressionism, cubism, and surrealism. Heavily influenced by Picasso and his friend Wassily Kandinsky, the playful nature of his works belie the fact that he was a scholar who lectured and wrote on color theory and ...

In *Fish Magic*, Paul Klee creates a magical realm where the aquatic, the celestial, and the earthly intermingle. A delicate black surface covers an underlayer of colors, which the artist revealed by scratching and scrawling designs in the black paint. At the center of the painting, a square of muslin is glued onto the canvas.
