Picking Up On The Streets

Not just a contemporary account, Picking Up charts New York City's four-hundred-year struggle with trash. It traces the city's waste-management efforts from a time when filth overwhelmed the streets to today's far more vigorous practices, which have made the city cleaner than it's been in decades.

Amazon.com: Picking Up: On the Streets and Behind the ...

In Picking Up, the anthropologist Robin Nagle introduces us to the men and women of New York City's Department of Sanitation and makes clear why this small army of uniformed workers is the most important labor force on the streets. Seeking to understand every aspect of the Department's mission, Nagle accompanied crews on their routes, questioned supervisors and commissioners, and listened to story after story about blizzards, hazardous wastes, and the insults of everyday New Yorkers.
