LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Preston Sturges On Preston Sturges

Preston Sturges (/ 'stɜːrdʒɪs /; born Edmund Preston Biden; August 29, 1898 – August 6, 1959) was an American playwright, screenwriter, and film director. In 1941, he won the Oscar for Best Original Screenplay for the film *The Great McGinty*, his first of three nominations in the category. Sturges took the screwball comedy format of the 1930s to another level, writing dialogue that, heard today, is often surprisingly naturalistic, mature, and ahead of its time, despite the farcical ...
